RFP 17P-002 AUDIO/VISUAL TECHNOLOGY EQUIPMENT INSTALL-EDGEWOOD HALL BUILDING

ADDENDUM NO. 1

The following shall be incorporated into the captioned solicitation as though included in the original documents issued:

Questions / Answers

- Q1. This appears to be a request primarily installation and labor with equipment to be furnished by the university by the contractor. A.) How will the University be obtaining the equipment?
B.) Will the contractor be allowed to submit a bid? C.) Who did the design for these classrooms? D.) Do drawings already exist? E.) How was the equipment list created?
- A1. A) & B) Yes this solicitation is for installation and labor only. Bidders may be required to provide limited equipment/materials as stated in Section 5 Detailed Specifications page 10. The College has already solicited bids for the equipment. Approval of the recommendation of that contract award will be placed on the Board of Public Works agenda shortly.
C) The College.
D) The only drawings are for the building renovation/addition developed by the project Architect.
E) HCC standards
- Q2. Is there a budget amount for the Edgewood Hall project?
- A2. No budget figure is available; however, the project must be completed to support the renovation of Edgewood Hall. Renovation began January 2016 and will be completed December 2016.
