Grade Assignment Channel

How to change semesters

1. Login to OwlNet, click on the Instructional Tools tab, and locate the Grade Assignment channel. Click on the pencil icon in the channel to edit the channel settings.

2. To change the semester for the channel, click on the drop down window and select the term you would like to view.
3. Click on the Apply link at the bottom right of the channel.

4. Click on the Back link in the left of the channel.

5. To change the view from Gradebook Marks to Midterm Grades or Final Grades, click on the drop down window in the channel.

6. Click on ‘Go’ when you have made your selection.
